İdil Bozoğlu LL.M.

OF COUNSEL

Throughout her career, Mrs. Bozoglu has worked for arbitration teams of global law firms. She uses her expertise on international arbitrations in cross-border projects as well.

She advises on all aspects of infrastructure and superstructure projects from initial tendering and project support to dispute resolution in a wide range of sectors, including general transport, telecommunication and energy. She has experience on the FIDIC forms of contracts through advisory work and she has been involved in various international arbitrations representing GSM operators, energy companies, governmental bodies, traders and major distributors among others. Acted on various international arbitration cases under the Rules of ICC, DIA, SCAI and JCAA rules.

She has gained experience in the international arena when working for the London headquarters of Pinsent Masons in 2015.

She is one of the founding members of Society of Construction Law ("SCL") Turkey (pending), member of ICC YAF, LCIA YIAG and Y-ICCA.
